

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

NOTICE OF SOUTH CENTRAL BELL	)	
TELEPHONE COMPANY OF AN AD-	)	
JUSTMENT IN ITS INTRASTATE	)	CASE NO. 8467
RATES AND CHARGES	)	

O R D E R

IT IS ORDERED that South Central Bell shall file an original and nine copies of the following information with the Commission by May 24, 1982. Each copy of the data requested should be placed in a bound volume with each item tabbed. Where a number of sheets are required for an item, each sheet should be appropriately indexed; for example, Item 1(a), Sheet 2 of 6. Careful attention should be given to copied material to insure that it is legible. Moreover, South Central Bell shall furnish the name of the witness who will be responsible for responding to questions concerning each area of information outlined below.

Staff Request No. 1

1. An income statement (show net income) for the applicant's Kentucky combined operations for the test year.
2. Provide a full description of the methodology used in total factor productivity studies by

South Central Bell. Moreover, provide the annual factors for the total company Kentucky combined and Kentucky-intrastate operations for the test period and the preceding 5 years.

3. A. A calculation of total company average (13-month) and end-of-period debt, preferred stock, and common equity capital for the test year in the format as shown in Format 3a attached.
- B. A calculation of the average (13-month) and end-of-period long-term debt composite interest for the 12 months of the test year. Supporting details underlying calculations should be provided. The average long-term debt composite interest cost is calculated by dividing the sum of the book interest accrued on long-term debt and related amortization of discount, premium and issuance cost by average long-term debt as calculated in Format 3a, column c, line 15.
4. List each general office account (asset, reserve, and expense accounts) covering the 12 months of the test year. Show the amount allocated to each jurisdiction and a calculation of the factor used to allocate each amount.

5. The following monthly balances and a calculation of the 13-month average data for the test year operations of the total company, Kentucky combined and intrastate:
- A. Plant in service
  - B. Plant purchased or sold
  - C. Property held for future use
  - D. Construction in progress--separate this balance into CWIP that Interest During Construction is calculated on and other CWIP.
  - E. Depreciation reserve
  - F. Materials and supplies
  - G. Balance in accounts payable (applicable to material and supplies)\*
  - H. Unamortized investment credit-Pre-Revenue Act of 1971
  - I. Unamortized investment credit-Revenue Act of 1971
  - J. Accumulated deferred income taxes
  - K. Balance in accounts payable applicable to amounts included in plant in service\*
  - L. Balance in accounts payable applicable to amounts included in plant under construction\*

---

\*If actual is unavailable, give a reasonable estimate.

- M. Short-term borrowings
- N. Interest on short-term borrowings (expense)
- 6. Provide the following information for each item of telephone property held for future use at the end of the test year for Kentucky combined:
  - A. Description of property
  - B. Location
  - C. Date purchased
  - D. Cost
  - E. Estimated date to be placed in service
  - F. Brief description of intended use
- 7. Schedules in comparative form showing by months for the test year and the year preceding the test year the Kentucky combined balance in each telephone plant and reserve account or subaccount included in the applicant's chart of accounts as shown in Format 7 attached.
- 8. The detailed work papers showing calculations supporting all accounting, pro forma, end-of-period, and proposed rate adjustments in the rate application to revenue, expense, investment, and reserve accounts for the test year and a complete detailed narrative explanation of each adjustment including the reason why each adjustment is required. Explain all components used in each calculation and

provide all documentation and back-up schedules used in calculations. (This data should be more fully explained than information filed in connection with Case No. 8150.) Index each calculation to the accounting, pro forma, end-of-period and proposed rate adjustment which it supports.

9. A schedule showing a comparison by month of the Kentucky combined and intrastate revenue accounts for the test year to the same month of the preceding year for each revenue account or subaccount included in the applicant's chart of accounts. Include appropriate footnotes to show the month each rate increase or rate change went into effect and the first month the full increase was recorded in the accounts. See Format 7.
10. A. A schedule showing a comparison of the balance in the Kentucky combined operating expense accounts for each month's activity for the test year to the same month of the preceding year for each account or subaccount included in the applicant's chart of accounts. See Format 7.  
  
B. A schedule in comparative form showing the Kentucky operating expense account balances for the test year and each of the 5 years preceding the test year for each account

included in the applicant's annual report (FCC Form M, Schedule 35). Show the percentage of increase of each year over the prior year.

C. A schedule of total company salaries and wages for the test year and each of the 5 calendar years preceding the test year as shown in Format 10c attached.

11. The following tax data for the test year for total company, Kentucky combined, and intrastate operations:

A. Income taxes:

- (1) Federal operating income taxes deferred - accelerated tax depreciation
- (2) Federal operating income taxes deferred - other (explain)
- (3) Federal income taxes - operating
- (4) Income credits resulting from prior deferrals of federal income taxes
- (5) Investment tax credit net
  - (i) Investment credit realized
  - (ii) Investment credit amortized - Pre-Revenue Act of 1971
  - (iii) Investment credit amortized - Revenue Act of 1971

- (6) Provide the information in 11A(1) through 11A(4) for state income taxes
- (7) Reconciliation of book to taxable income as shown in Format 11A(7) attached and a calculation of the book federal and state income tax expense for the test year using book taxable income as the starting point
- (8) A copy of federal and state income tax returns for the taxable year ended during the test year including supporting schedules (three copies required)
- (9) The quarterly gross receipts tax returns for each quarter during the test year

B. An analysis of Kentucky other operating taxes as shown in Format 11b attached, for Kentucky combined and intrastate operation.

- 12. A schedule of Kentucky combined net operating income per average primary phone (see Format 13, Schedule 2) per company books for the test year and the 5 years preceding the test year. This data should be provided in the format as shown in Format 12 attached.

13. The comparative operating statistics as shown in Format 13 attached.
14. A schedule of total company average telephone plant in service per average primary phone by account per company books for the test year and the 5 calendar years preceding the test year. This data should be provided in the format as shown in Format 14 attached.
15. A statement of telephone plant in service per company books for the test year. This data should be presented in the format as shown in Format 15 attached.
16. A. Provide a detailed analysis of all intrastate charges booked during the test period for advertising expenditures. This analysis should include a complete breakdown of Account 642 - Advertising as shown in Format 16a attached, and further should show any other advertising expenditures included in any other expense subaccounts. The analysis should, moreover, be specific as to the purpose of the expenditures and the expected benefit to be derived. Expenses allocated from either the parent company or from South Central Bell headquarters should be so identified.

- B. Provide an analysis of Account 675 - Other Expenses for the test period. This analysis should show a complete breakdown of this account as shown in attached Format 16b and further provide all detailed working papers supporting this analysis. As a minimum, the work papers should show the date, vendor, dollar amount and a brief description of each expenditure for amounts of \$500 or more.
- C. A detailed analysis of all charitable and political contributions expenses charged to intrastate operations during the test period. This analysis should indicate the amount of the expenditure, the recipient of the donation and the specific amount charged. Expenses allocated from either the parent or from South Central Bell headquarters should be so identified.
- D. Provide an analysis of Account 323 - Miscellaneous Income Charges for the test period. This analysis should show a complete breakdown of this account as shown in attached Format 16d, and further provide all detailed working papers supporting this analysis. As a minimum the work papers should show the date, vendor,

dollar amount and a brief description of each expenditure for amounts of \$500 or more.

17. A statement describing the applicant's lobbying activities and a schedule showing the name of the individual, his salary, and all company-paid or reimbursed expenses or allowances and the account charged for all personnel for whom a principal function is that of lobbying, whether it be lobbying on the local, state, or national level.
18. Rates of return as shown in Format 18 attached.
19. Employee data as shown in Format 19 attached.
20. Provide a detailed analysis of the retained earnings account for the test period and 12-month period immediately preceding the test period.
21. Provide the following information with regard to uncollectible accounts for the test year and the 5 preceding calendar years (taxable year acceptable) for Kentucky combined, if available, and total company:
  - A. Reserve account balance at the beginning of the year.
  - B. Charges to reserve account (accounts charged off).
  - C. Credits to reserve account.

- D. Current year provision.
  - E. Reserve account balance at the end of the year.
  - F. Percent of provision to total revenue.
22. The dollar amount of employee concession telephone service for the 12 months of the test year as shown in Format 22 attached.
23. Additional data relating to affiliated or parent company(s).
- A. Consolidated parent and subsidiaries balance sheet, income statement, and statement of changes in financial position for test year and last 2 calendar years.
  - B. Schedule showing balance sheet, income statement, and retained earnings adjusting entries for Kentucky subsidiary in its consolidation with the parent company and affiliated companies.
  - C. Schedule of company's home office and/or inter-company charges; monthly for the test year and yearly for the last 2 calendar years. State the type of goods or services provided (i.e., supplies capitalized, data service, directory sales, management services, etc.). The amount by type from each billing unit and the method

- used in billing (i.e., direct, allocated) and basis for allocating common charges.
- D. Provide a calculation of the average (13-month) and the end-of-period debt and equity ratio and average (13-month) and end-of-period composite interest cost and preferred stock cost for the 12 months of the test period for the parent company and for the consolidated companies including all subsidiaries.
- E. Schedule of federal income tax reductions due to filing a consolidated parent tax return for last 2 taxable years. Show source and type of reduction, and method and basis of allocating to companies and states.
- F. A schedule of sales by affiliated Manufacturing and/or Supply Companies separated into Manufacturing Operations and Supply Operations with a further separation into sales to affiliated System Telephone Companies, Non-affiliated Telephone Companies, all other Sales and total for the calendar year for all years of common affiliation.
- G. A schedule showing for each year in 23F for affiliated Manufacturing and/or Supply Companies the weighted average capitalization

ratios, effective debt interest rates and effective preferred stock dividend rates.

This schedule should show the actual amounts of the various capital components as well as the ratios.

- H. Net Income as a percent of Sales, Return on Average Investment, and Return on Average Common Equity for sales to affiliated telephone companies and on sales to non-affiliated telephone companies separately for manufactured products and separately for items purchased for resale for the calendar years used in 23F. Also provide details for the rate of return calculations.
- I. On sales to the Kentucky operating telephone company used in 23F, separate purchases from the manufacturing operation into amounts capitalized and amounts expensed and from the supply operation into amounts capitalized and amounts expensed.
- J. A schedule showing the dollar amount of gross additions by major plant accounts and the percent and dollar amounts surviving at the end of test year, for each of the years used in 23F. A second part of this schedule should

show the dollar and percent of equivalent amounts of depreciation reserve at the end of the test year, applicable to the surviving capitalized purchased.

24. A calculation of the rate or rates used to capitalize interest during construction for the test year and the 3 preceding calendar years. Provide a narrative explanation of each component entering into the calculation of this rate.
25. A. Explanation, with copies of appropriate supporting material, of the separation procedures used to arrive at the test period Kentucky intrastate portions of revenues, investment, expenses, taxes, reserves and any other items applicable to the case. Include discussions on cost studies which were used and periods for which studies were made. (Provide summary sheets from appropriate studies.)  
  
B. A listing in comparative form of the following factors used in the cost separations studies for the last 4 calendar years preceding the test period and for the test period year (provide interstate toll, intrastate toll and intrastate local factors where applicable):  
  
(1) Subscriber line usage factors

- (2) Subscriber plant factors
- (3) Composite station ratios
- (4) Conversation-minute-miles factors
- (5) Dial equipment minutes-of-use factors  
(composite for all offices)
- (6) Traffic unit factors (composite for  
all toll centers)
- (7) Holding time minutes-of-use

Give the dates of the traffic studies from which the test period factors were obtained.

Include a statement as to whether these factors are final or will be revised should subsequent studies prior to the hearing date show changes in them.

- C. A breakdown by dollar amounts of the Kentucky intrastate toll revenues for the test period into their major class of toll service-message toll including WATS, private line, foreign exchange, and any other items contributing to the intrastate toll revenues.
26. A. An exhibit showing the status of all intrastate toll settlements with all connecting companies, including non-regulated companies, that were pending at the beginning and at the end of the test period that would affect

the test period intrastate toll revenues. For actual cost and Division of Revenues companies, indicate by company what year cost study or portion of year cost study is presently being used for toll settlements and the finality of the settlements with regard to the test period. For standard contract companies explain how Kentucky intrastate portions of the settlements are determined. For settlements that are not final, indicate the expected amounts and the expected dates they will be finalized. These amounts are to be reconciled with book entries including amounts accrued for future settlement adjustments.

- B. Explanations of projected growth in intrastate toll revenues in terms of projected growth in settlements with all connecting companies as a group and of projected growth in total billed toll revenues and messages for all companies combined including South Central Bell.
- C. An itemized accounting of all of the Kentucky intrastate toll revenues for the test period including the toll revenues of South Central

Bell and all connecting companies. A detailed statement shall be supplied giving the money amounts by dates that have been exchanged between South Central Bell and each connecting company including when settlement amounts were or will be finalized.

27. A. Written explanation of all pro forma adjustments made to normalize the test period intrastate toll revenues such as those caused by settlement contract changes and separation procedure changes that may affect such items as the intrastate toll rate of return used in computing toll settlements for actual cost and Division of Revenues companies.
- B. Any other information the applicant deems necessary to explain the debits and credits to its toll revenues in order to normalize its intrastate toll revenues for the test period.
28. A. Capital structure at end of each calendar year for the previous 10 years.
- B. Capital structure at end of latest available quarter.
- C. Capital structure at end of historical test period. These items should include the following information:

- (i) class of capital
- (ii) amount of each class (\$)
- (iii) ratio of each class to total capitalization
- (iv) total capitalization (\$)

These items should be furnished for the parent, the subsidiary and for the system consolidated.

29. A. List all outstanding issues of long-term debt as of the end of the latest calendar year and quarter and at the end of the test period. This should include the following information for each outstanding issue:
- 1. Date of issue
  - 2. Date of maturity
  - 3. Amount outstanding
  - 4. Coupon interest rate
  - 5. Cost rate at issue
  - 6. Cost rate at maturity
  - 7. Bond rating at issue - (Moody's, Standard & Poor's)
  - 8. Type of obligation
- B. Provide calculations of embedded cost of long-term debt at the end of each calendar year for the previous 10 years. Also provide this calculation for end of the test period. Items 29A

and B should be provided for the parent and for the subsidiary where applicable and not included in the record to date.

30. A. List all outstanding issues of preferred stock as of end of the latest available calendar year and quarter and at end of the historical test period. This should include the following information for each outstanding issue:

1. Issue date
2. Amount sold (\$)
3. Dividend rate
4. Cost rate at issue
5. Amount outstanding
6. Note any convertibility features

B. Provide calculations of embedded cost of preferred stock at the end of each of the previous 10 years. Also provide this calculation for the most recent quarter available and for the historical test period. Items 30A and B should be provided for the parent company.

31. A. Provide a listing of all issues of common stock in the primary market during the most recent 10-year period. Include the following information:

1. Date of issue

2. Number of shares
3. Date of announcement and registration
4. Price per share (net to company)
5. Net proceeds to company
6. Book value per share at time of issue
7. Selling expenses as percent of gross issue amount
8. Price per share to public

B. Provide the following information on a quarterly and yearly basis for the most recent 10-year period available. Also provide this through the latest available quarter.

1. Average number of shares of common outstanding
2. Book value per share at end of period
3. Period earnings per share
4. Period declared dividend rate per share
5. Rate of return on average common equity
6. Rate of return on year-end common equity

Items 31B, 5 and 6 refer to yearly figures only.

C. Provide monthly market price information for common stock for each month during the most recent 10-year period.

Include the following:

1. Monthly high

2. Monthly low
3. Monthly closing price
4. Note all stock splits by date and type  
and adjust prices accordingly.

Items 31A, B and C refer to the parent company.

32. Provide figures showing computation of fixed charge coverage ratios (SEC method, pretax, include short-term debt payments) at the end of each of the 10 most recent prior years.
33. Provide the percentage of premium pay overtime for the last 5 calendar years.
34. The amount of expenses included in the test period Kentucky intrastate operating expenses for each Kentucky general rate case by case number as set out below. Moreover, provide the total Kentucky-intrastate expenditures to date for each of the five previous rate cases before this Commission, as follows:

<u>C.N.</u>	<u>Legal expenses</u>	<u>All other</u>	<u>Total</u>	<u>External Costs</u>	<u>Internal Costs</u>	<u>Total</u>
-------------	-----------------------	------------------	--------------	---------------------------	---------------------------	--------------

35. A breakdown of Corporate and Community Affairs expenses for the test year and the preceding 2 calendar years.
36. Any information as soon as it is known, which would have a material effect on net operating income, rate base and the cost of capital which

occurred after the test period and was not incorporated in the filed testimony and exhibits.

Done at Frankfort, Kentucky, this 27th day of April, 1982.
